

2015 X-Treme Sports Weekend

Welcome to the 2015 X-Treme Sports Weekend at Camp Turrell!

The following Leader's Guide will contain vital information for the weekend.

Cost: \$35 before 4/24/15 \$50 after 4/24/15.

Check-In:

- Begins at 6:00 PM. A Representative will advise you as to where your site and Parking designation will be.
- Scoutmasters please report to the Peterson Lodge (Camp Office) to check in your troop. Have an updated Roster and any residual fees which may need to be. Wrist bands will be distributed for the number of scouts and leaders attending from your troop.
- Upon arrival you will receive your pre-assigned camp site along with wrist bands for all scouts and leaders on your roster. Site M is designated for a handicapped site. Please advise if you require this necessity within your troop.
- Vehicles which will be parking for the duration of the weekend must park in the upper lot next to the Peterson Lodge. If you are planning to leave please be parked at the Main Lot next to the sports field to unload.
- Staff must park at the Burn Pit or Rifle Range. If you are parked at the rifle range your vehicle must be moved to the upper lot before 7 AM.
- There is only **ONE** vehicle allowed to bring equipment into your site at a time.
- Cracker barrel and outpost signups will begin at 8:30 – 10 PM.
- Taps at 11:00 PM

Class A Uniform for Saturday night Dinner

Outposts: There will be 1 outpost on Saturday, this requires pre-sign up in the dining hall during the cracker barrel. The signups are first come first serve and have limited space available.

- If more than 5 of your scouts are attending an outpost we ask that you provide an adult to accompany them.
- Scouts must come to outposts prepared with a water bottle, ground cloth/tarp, backpack, sleeping bag/blanket and boots.

Waterfront Swim Tests:

In order to adhere to Safety Afloat standards, scoutmasters **MUST** provide a signed sheet stating which scouts have taken their swim tests, what their swim ability group is (non-swimmer, beginner, swimmer) and the date the swim tests were completed. The swim tests **MUST** have been administered within the last year (typically during 2014 summer camp). It is the responsibility of the scoutmaster to provide this list under scout's honor. There will not be an exception if a list or signed sheet cannot be provided OR if the swim tests were administered prior to May 16, 2014.

Dining:

-There will be 4 total meals served this weekend and cracker barrel Friday night. Accommodations will be made for vegetarian eaters. If you wish to provide your own food due to a dietary restriction, please stop at the kitchen on Friday. Please E-mail ahead of time to discuss any dietary restrictions.

-The meals will be served buffet style. We ask that all scout masters, adult leaders and youth leaders assist with leading by example when it is time for meals, during clean-up and when the scout sign is up.

Shooting Sports:

-Scouts must be 12 Years of age or older to shoot rifle and 14 or older for Shotgun.

Mountain Biking:

-We encourage scouts to bring their own bike for this event. Please realize, camp Turrell was a rock quarry and is not meant for BMX, tricycles and other non-mountain terrain bicycles. It is suggested you only use a serious mountain bike. If you do bring your own bicycle you must NOT ride aggressively through camp or your privilege will be revoked. Helmets must be worn at all times while riding!

Fishing:

-Fishing will be an all day event taking place anywhere on the pond. You will be able to fish from row boats or off the shore. There is absolutely NO fishing from across the dam to the flag pole area by waterfront and within the waterfront area. It IS suggested that you bring your own reels, tackle and bait. The central location for fishing will be below the Nature pavilion by the shore of the pond.

Rocket building:

Rockets will be built during siesta in the dining hall and will be launched after dinner.

Emergency Procedures:

-There will be a full-time staff in the health lodge this weekend. If for any reason you have a medical issue or injury please report to the Health Lodge immediately to report it. If an incident occurs at night also report to the Health Lodge and ring the doorbell, there will be EMT's stationed there at night.

-In the event that you hear the camp Emergency Siren, please report IMMEDIATELY to the sports field and take a head count of your troop and adult leaders. In the event of inclement weather, the dining hall will be used as a shelter. The Handicraft pavilion may also be used as an inclement weather shelter.

Check-Out:

-Check-out will begin after breakfast on Sunday morning. Scoutmasters: once you have ensured your site is completely cleaned up you may report to the Peterson lodge office to receive your patches and check-out your troop. We are asking ALL Troops to have serious responsibility when it comes to cleaning the latrines and camp site. You all know how a clean camp site looks because it was clean when you arrived. LEAD BY EXAMPLE! Thank you.

Miscellaneous:

-DON'T FORGET! Meals ARE included with the cost.

-Scouts must bring their own tent, no tents are available.

-All scouts must attend the trip with a troop. There is no availability for "provisional" (by themselves) scouts. A reference to a troop that is willing to accept "provisional" scouts may be provided if there are troops willing to do that.

-Please DO NOT LITTER. We are only guests to this camp so please lead by example and dispose of your garbage in trash receptacles rather than the ground we walk on. There will be recycling containers by the Trading Post for recyclables ONLY!

-Any trash must be brought to the trash trailer behind the dining hall before 8 PM on Saturday night.

-Please return your sites to better condition than when you arrived. If you need supplies please stop at the quartermaster which will be open for 30 minutes after each meal. These supplies must be returned, not left in the site.

Special Thanks:

We'd like to thank YOU! The scoutmasters, for volunteering your time, patience and money to bring your scouts up to enjoy an experience they will never forget. It is increasingly harder for troops to stay afloat not because of membership, but because of a lack of volunteers. You are standing up and giving your time to a great cause and we truly appreciate that. We also really want to thank the STAFF for putting on an excellent program. Without you X-Treme Sports could not have taken place. Again...THANK YOU!

--J Alan Esteves & Dave Gabel [X-Treme Sports Weekend Committee]

Schedule of events is below. This is **subject to change** based on weather or other unforeseen events.

As of 5/8/15 NO OPEN FIRES are permitted. You will be informed if this changes.
